

BOLD IN BLACK

Semplice - Chiara

is the Italian word for "Simple": a concept that lies at the heart of uncluttered, functional and unfussy design. "Perfection", as described by Antoine de Saint-Exupery, "is achieved, not when there is nothing more to add, but when there is nothing left to take away". SEMPLICE, Italtile's very own new brand of bathroom accessories, follows those principles.

Divina - Anelia

Basin Mixer adds a bold and sophisticated statement to your bathroom. The sleek and modern design is enhanced by its smooth operation and user-friendly features, ensuring a comfortable and effortless experience every time you use it.
