**Laufen will not accept any warranty claim if:**

- the product will be used in an improperly or faulty way
- the product will be treated wrongly
- the product will be installed unprofessionally or unsuitable accessories were used
- the product will be repaired improperly
- the product shows defects caused by normal abrasion
- the product shows small defects which are within our tolerances

Laufen reserves the right to examine the product(s) under complaint at the customer's warehouse or to get the product(s) back to our factories in order to have a local examination.

If our tests confirm the damage(s), Laufen is obliged to replace or credit the product(s) under complaint.
